Prot. n. 0065679 del 31/08/2026

Massimo Rebuglio

CURRICULUM VITAE

PhD in Management, Production and Design, Politecnico di Torino, 2026
Master's Degree in Computer Engineering, Politecnico di Torino, 2022

Currently
- Postdoctoral Researcher, Dept. of Management and Production Eng., Politecnico di Torino
- Lecturer in the Master's courses in Project Management and Supply Chain Management and in the Executive Master in Project Management for Business Performance & Innovation

Previously
- University of Minho, Portugal, Visiting Researcher
- Dept. Of Computer Eng, Politecnico di Torino, Research Fellow *(Assegnista di Ricerca)*
- Dept. of Mechanical Eng., Politecnico di Torino, Research Fellow *(Borsista di Ricerca)*

Research Interests & Activities
My main research area is information systems supporting the management of large projects, on which I have published more than 20 contributions in international journals and conference proceedings. Most of my studies are conducted in applied contexts, including Autostrade dello Stato italiane and Infratrasporti.To S.r.l., responsible for Turin Metro infrastructure.

Previous Institutional Activities
- Member of the Board of Directors *(Consigliere di Amministrazione)* and Budget Committee *(Commissione Bilancio)*, Politecnico di Torino
- Member of the Council of the Doctoral School, Politecnico di Torino

Other Professional Activities
Technology Consultant for a range of companies and organizations, including: Solferino Trust Company S.r.l., Studio Legale Varrasi-Donadio, Lupo S.r.l., ACADIS and AdGenera S.r.l.
