EDUCATION

Bachelor in Industrial Production Engineering — Expected 2027
Politecnico di Torino – Turin

Exchange Year in Business Administration — 2025 – 2026
International University of Catalunya – Barcelona

High School Diploma — 2024
Liceo Scientifico Statale "Galileo Ferraris" – Turin

EXPERIENCE

Production and Digital Transformation Intern — 01/2026 – 07/2026
Trocellen Iberica S.A.

- Led the implementation of a **SAP-integrated MES**, adapting it to plant production processes.
- Conducted **process analysis and system testing** to support MES deployment across production lines.
- Collaborated with **Production, Sales and Corporate IT** on digital transformation initiatives.

Student's Representative — 06/2025 – Present
Politecnico di Torino

- Currently serving as a representative in the Board of Directors and in the Department of Management and Production Engineering.

VOLUNTEER EXPERIENCE

Volunteer Coordinator — 2023 – 2025
Meeting for Friendship Among Peoples

Volunteered at three consecutive festival editions in roles ranging from beverage service and crowd-flow management to Volunteer Coordinator for an exhibition, overseeing shifts, volunteers and management.

Volunteer — 2022 – 2025
Association The Path – Turin

Volunteered in underserved neighbourhoods by managing a food-aid warehouse (inventory, logistics, deliveries) and providing cross-cultural educational support to newly arrived Chinese and Arab students.

INTERNATIONAL EXPERIENCE

Exchange Semester — 07/2022 – 12/2022
Edgemead High School – Cape Town, South Africa
