**INSPECTION TOUR
COMMUNICATION**

SUBJECT: Expression of interest in participating in the Energy Center initiative.

An inspection tour can only be made with prior booking by contacting the Building and Logistics Area of the University, from 8am to 12pm, at the numbers +39 011/090.63.35 - +39 011/090.59.35 since it is not possible to access the areas in question directly and without authorisation.

When booking an inspection tour, the person/s identified by the Institution/Business to carry out the visit of the Energy Center area must be communicated in addition to their job title.

It will also be possible to view the plans of the various floors of the Energy Center building.
