Technical drawing showing the front view (Prospetto) and top view (Pianta) of a rectangular object. The front view is a rectangle with a total width of 120 and a total height of 225. It is divided into four quadrants by a horizontal line at height 109 and a vertical line at width 68. The top-left quadrant contains a rectangle with width 46 and height 28. The top-right quadrant contains a rectangle with width 33 and height 36. The bottom-left quadrant contains a rectangle with width 68 and height 50. The bottom-right quadrant contains a rectangle with width 33 and height 51. The top view (Pianta) is a rectangle with a total width of 120 and a total depth of 45. It is divided into two halves by a vertical line at width 68. The left half has a width of 68 and the right half has a width of 52. The depth is 45. Dashed lines indicate the projection of the object's edges from the front view to the top view.
